### LEGISLATIVE WORK.

THE CAUCASIAN'S NEWEST The Bungling, Wretched Revenue

The whole tendency of the present Ruthless ruffianism did its worst vankee governmental system is to favor corporations and oppress individuals. Go into what department of life, into what branch of industry or enterprise, a man may, he must, to be secure, join the "ring" of his particular avocation. All legislaion, state and national, is controlled by lobby funds and wheedlings. The railroad men, the pork-packers, the grain merchanes, bankers, distillers, sharpers, all combine, raise corruptional pony-purses, and push triumphantly every measure tending to benefit themselves and fleece everybody else. And there is none to molest or make them afraid.
